Assorted Creams and Chocolates

In addition to truffles, our wide selection of assorted creams are a popular gift. Each chocolate is easy to recognize thanks to their beautiful shape and design. Our creams are handcrafted milk or dark chocolate shells filled with homemade cream filling flavors like maple syrup, lemon, raspberry, butter cream, and many more.

For our caramel lovers, we offer chewy sea salt or chocolate caramels and turtles, one of our most requested chocolates! With so much to choose from, you are sure to find your favorite. However many favorites that may be!
