Barks and Toffee

At Ganache Chocolatier, we are in awe of how two simple ingredients, chocolate and nuts, create such a delicious and beautiful treat. We combine white, milk, or dark chocolate with almonds, pecans, or an assorted mix containing seven different nuts. The more nuts, the better!

For a sweeter option, we offer white peppermint bark and our absolute favorite, English Toffee. We layer sweet toffee, milk chocolate, and ground almonds to create this mouthwatering dessert you don't want to say no to.
