## Gourmet Truffles

At Ganache Chocolatier, truffles are our specialty. It is what inspired the name of our shop! Each truffle has a center of ganache, a mixture of chocolate and cream, with a carefully decorated outer shell that indicates each flavor.

We offer 13 different regular truffles, 6 liqueur truffles, 12 mini truffles, and 2 mini liqueur truffles. We even offer a small selection of seasonal truffles. Click on our Truffle Card for more information on each of the truffles.
